The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**REQUEST FOR APPROVAL AND AWARD OF APPORTIONMENT
CONSULTING SERVICES MASTER AGREEMENTS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval of Apportionment Consulting Services Master Agreements with qualified consultants.

**IT IS RECOMMENDED BY THE DEPARTMENT OF HEALTH
SERVICES THAT YOUR BOARD:**

1. Authorize the Interim Director of Health Services, or his designee, to execute Apportionment Consulting Services Master Agreements with qualified consultants, at the rate of \$225.00 per hour, effective upon Board approval through June 30, 2012, with two one-year extensions exercisable by the Interim Director, or his designee, with the approval of County Counsel and the Chief Executive Office.
2. Delegate authority to the Interim Director, or his designee, subject to review and approval by the Chief Executive Office and County Counsel, to execute Master Agreements with new consultants as they are identified as qualified by the Department of Health Services (DHS).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Approval of the recommendations will allow the Interim Director to execute Apportionment Consultation Services Master Agreements with

pre-qualified consultants to ensure the County makes accurate and timely reports to the California State Medical Board regarding settlements of medical malpractice litigation against the County. Apportionment determinations need to be made on an intermittent, but ongoing basis to comply with mandatory reporting requirements of California *Business & Professions Code §801.01*.

These professional services are intermittent and as needed, requiring a licensed medical doctor with a *Juris Doctor* degree and substantial experience in medical malpractice litigation. Your Board's approval of the Master Agreements will allow the Department to continue to obtain apportionment services.

Currently, the Department utilizes two consultants under temporary sole source purchase orders, Dr. Robert Bitonte and Dr. David Shapiro, who will be transitioned to the Master Agreements upon Board approval. The two current consultants have outstanding performance records with the County.

Delegated authority is necessary to execute future Master Agreements for apportionment consultant services and will allow the Department to develop a highly qualified panel of experts to ensure compliance with *Business & Professions Code §801.01* reporting requirements for County.

Implementation of Strategic Plan Goals

The recommended actions support Goal 1, Operational Effectiveness and Goal 4, Health and Mental Health, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

Expenditures under these Master Agreements will vary from year to year based on the needs of the Department. DHS has the responsibility for ensuring it has adequate funding prior to requesting services under the agreements. Funding is included in Health Services Administration's Fiscal Year (FY) 2008-09 Final Budget, included in the FY 2009-10 Proposed Budget, and will be requested in future fiscal years. Subsequent year funding will be requested in the FY budget for each annual term and any extensions. Expenditures over the term of the Master Agreements in any given year will remain within the Department's budgeted appropriation for such services at \$200,000 annually. Consultants will not be asked to perform services which exceed the amounts, scope of work and dates specified in each agreement.

Other County departments will be able to utilize the apportionment consulting services under these Master Agreements and will be billed separately. Each department

accessing services under these Agreements is responsible for allocating sufficient resources within each department's FY annual budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Both County Counsel and the Chief Executive Office agree to the need and recommend approval of the Master Agreement. The terms and conditions of the proposed Master Agreement have been approved as to form by County Counsel. It contains your Board's required contract provisions.

The Master Agreements contain professional liability indemnification to the consultant similar to physicians performing direct patient care for County. While apportionment recommendations are made by the consultants after review of pertinent records and documentation, the Department makes the final determination as to the apportionment reportable to the State Medical Board. These apportionment determinations carry serious consequences for reported physicians and there is a heightened risk of litigation exposure as a result of the determination. As such, professional liability indemnification to the contractors is appropriate to ensure contractors will agree to perform services for County.

The apportionment consultation service Master Agreement is not a Proposition A agreement due to the intermittent and as needed type of service and, therefore, not subject to the Living Wage Program (County Code Chapter 2.201). It has been determined that the services under these agreements do not impact Board Policy No. 5.030, "Low Cost Labor Resource Program", because of the specialized training and education needed to perform the work.

CONTRACTING PROCESS

Current consultants working under purchase orders will be asked to execute the new Master Agreement in order to continue providing apportionment services to the Department. New consultants will be identified after review of qualifications, education and experience and asked to execute a Master Agreement as appropriate to the needs of the Department.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended actions will ensure continuity of uninterrupted apportionment consulting services to the Department.

In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 AUTHORIZATION WARRANTY

Contractor represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

8.4 BUDGET REDUCTIONS

In the event that the County's Board of Supervisors adopts, in any Fiscal Year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation under this Agreement correspondingly for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by Contractor under this Agreement shall also be reduced correspondingly. The County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days

of the Board's approval of such actions. Except as set forth in the preceding sentence, Contractor shall continue to provide all of the Services set forth in this Agreement.

8.5 COMPLAINTS – Not Applicable; Intentionally Omitted.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 8.6 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the

right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

- 8.6.3 During the time that Contractor's agents, employees, or subcontractors are at a Facility, Contractor and such persons shall be subject to the rules and regulations of that Facility. Facility's Administrator shall furnish a copy of rules and regulations to Contractor pertaining to the Facility prior to the execution of this Agreement and, during the term of this Agreement, shall furnish Contractor with any changes thereto as from time to time may be adopted. It is the responsibility of Contractor to acquaint all persons who may provide services hereunder with such rules and regulations. 8.8.1 Jury Service Program:

This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit E and incorporated by reference into and made a part of this Agreement.

8.8.2 Written Employee Jury Service Policy.

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Subcontractor to perform services for County under the Agreement, the Subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract

agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this Sub-paragraph of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

- 8.9.1 No County employee whose position with County enables such employee to influence the award of this Agreement or any competing Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Agreement. No officer or employee of Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.9.2 Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph shall be a material breach of this Agreement.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement.

8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.11.1 Should Contractor require additional or replacement personnel after the effective date of this Agreement, Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN/GROW participants by job category to Contractor.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, county employees shall be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in the Agreement, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County.

8.12.3 Non-responsible Contractor

County may debar a Contractor if the Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with County or a nonprofit corporation created by County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

8.12.4 Contractor Hearing Board

1. If there is evidence that Contractor may be subject to debarment, the Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the

debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

These terms shall also apply to Subcontractors of County Contractors.

8.13 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

- 8.16.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. - 8.22.5 County's agents, as designated by Director, will consult with Contractor regarding the disposition of any action or claim hereunder. However, County reserves the right to determine the final disposition of any action or claim. In the event Contractor does not agree with County's agents in any defense, settlement, or any other disposition of such action or claim, Contractor may pursue defense, settlement, or other disposition of such action or claim independently of the County, and should Contractor take any such action, County's indemnification obligation with respect to such action or claim shall immediately terminate. In such event, County shall have no financial obligation on behalf of Contractor for liability, expenses, including legal defense fees and expenses, expert witness fees and expenses or payments of settlements, judgments, awards, or damages arising out of the action or claim.

Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

8.34 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, Contractor and County agree that, during the term of this Agreement and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.35 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

Contractor shall maintain accurate and complete financial records of its provision of services, activities and operations relating to this Agreement in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Agreement. Contractor agrees that County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by Contractor and shall be made available to County during the term of this Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.35.1 In the event that an audit of Contractor is conducted specifically regarding this Agreement by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise

provided by applicable Federal or State law or under this Agreement. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

- 8.35.2 Failure on the part of Contractor to comply with any of the provisions of this Sub-paragraph 8.35 shall constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement.
- 8.35.3 If, at any time during the term of this Agreement or within five (5) years after the expiration or termination of this Agreement, representatives of County conduct an audit of Contractor regarding the work performed under this Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall the County's maximum obligation for this Agreement exceed the funds appropriated by County for the purpose of this Agreement.
- 8.35.4 In addition to the above, Contractor agrees, should County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable County to evaluate the Contractor's compliance with the County's Living Wage Program, that Contractor shall promptly and without delay provide to County, upon the written request of County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to County under this Agreement, including without limitation, records relating to work performed by said employees on the Contractor's non-County

contracts. Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to County under this Agreement is for the purpose of enabling County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by Contractor and shall be made available to County during the term of this Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

8.36 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content paper to the maximum extent possible on this Agreement.

8.37 STAFF PERFORMANCE WHILE UNDER THE INFLUENCE

Contractor shall not knowingly permit any employee to perform services under this Agreement while under the influence of any alcoholic beverage, medication, narcotic, or other substance which might impair their physical or mental performance.

8.38 SUBCONTRACTING

8.38.1 The requirements of this Agreement may not be subcontracted by Contractor **without the advance approval of County**. Any attempt by

Contractor to subcontract without the prior consent of County may be deemed a material breach of this Agreement.

- 8.38.2 If Contractor desires to subcontract, Contractor shall provide the following information promptly at the County's request:
- A description of the work to be performed by the Subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by County.
- 8.38.3 Contractor shall indemnify and hold County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were Contractor employees.
- 8.38.4 Contractor shall remain fully responsible for all performances required of it under this Agreement, including those that Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.38.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Agreement. Contractor is responsible to notify its Subcontractors of this County right.
- 8.38.6 The Director is authorized to act for and on behalf of County with respect to approval of any subcontract and Subcontractor employees.
- 8.38.7 Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.38.8 Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by County from each approved Subcontractor. Contractor shall ensure delivery of all such documents to:

Director, Contract Administration and Monitoring
Department of Health Services
313 N. Figueroa St., 6th Floor East
Los Angeles, CA 90012

before any Subcontractor employee may perform any work hereunder.

8.39 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.14 – Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which County may terminate this Agreement pursuant to Sub-paragraph 8.41 – Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.40 TERMINATION FOR CONVENIENCE

8.40.1 This Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty days (30) days after the notice is sent.

8.40.2 After receipt of a notice of termination and except as otherwise directed by County, Contractor shall:

- Stop work under this Agreement on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.40.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of Contractor under this Agreement shall be maintained by Contractor in accordance with Sub-paragraph 8.35, Record Retention & Inspection/Audit Settlement.

8.41 TERMINATION FOR DEFAULT

8.41.1 County may, by written notice to Contractor, terminate the whole or any part of this Agreement, if, in the judgment of County's Project Director:

- Contractor has materially breached this Agreement; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service; or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Agreement, or of any obligations of this Agreement and in either case, fails to demonstrate convincing progress toward a cure within three (3) working days (or such longer period as County may authorize in writing) after receipt of written notice from County specifying such failure.

8.41.2 In the event that County terminates this Agreement in whole or in part as provided in Sub-paragraph 8.41.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this Sub-paragraph.

8.41.3 Except with respect to defaults of any Subcontractor, Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.41.2 if its failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: Acts of God or of the public enemy, acts of County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both Contractor and Subcontractor, and without the fault or negligence of either of them, Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in

sufficient time to permit Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.41.3, the term "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

- 8.41.4 If, after County has given notice of termination under provisions of this Sub-paragraph 8.41, it is determined by County that Contractor was not in default under the provisions of this Sub-paragraph 8.41, or that the default was excusable under the provisions of Sub-paragraph 8.41.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.40 – Termination for Convenience.
- 8.41.5 The rights and remedies of County provided in this Sub-paragraph 8.41 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.42 TERMINATION FOR IMPROPER CONSIDERATION

- 8.42.1 County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 8.42.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 8.42.3 Among other items, such improper consideration may take the form of cash, discounts, and service, the provision of travel or entertainment, or tangible gifts.

8.43 TERMINATION FOR INSOLVENCY

8.43.1 County may terminate this Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for Contractor; or
- The execution by Contractor of a general assignment for the benefit of creditors.

8.43.2 The rights and remedies of County provided in this Sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.44 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying firm retained by Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which County may in its sole discretion, immediately terminate or suspend this Agreement.

8.45 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Agreement, County shall not be obligated for the Contractor's performance hereunder or by any provision of this Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Agreement in the County's Budget for each such future fiscal year. In the event that funds are not

appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.46 UNLAWFUL SOLICITATION

Contractor shall inform all of its officers and employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with section 6150) of Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of said provisions by its officers and employees. Contractor agrees to utilize the attorney referral service of all those bar associations within Los Angeles County that have such a service.

8.47 VALIDITY

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 WAIVER

No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of subsequent or any other breach of the same or any other covenant, condition, term or agreement herein contained, nor shall failure on the part of County to require exact, full and complete compliance with any of the covenants, conditions, terms or agreements shall prevent County from enforcing the full provisions thereof. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.49 WARRANTY AGAINST CONTINGENT FEES

- 8.49.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.
- 8.49.2 For breach of this warranty, County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM

Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within ten (10) calendar days in writing of: 1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a federally funded health care program; and 2) any exclusionary action taken by any agency of the federal government against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a federally funded health care program.

Failure by Contractor to meet the requirements of this Sub-paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

9.2 CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE" UNDER HEALTH INSURANCE PORTABILITY & ACCOUNTABILITY ACT OF 1996 (HIPAA)

County is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Under this Agreement, Contractor provides services to County and Contractor receives, has access to, and/or creates Protected Health Information as defined in Exhibit G, attached herein as reference, in order to provide those services. County and Contractor therefore agree to the terms of Exhibit G, Contractor's Obligations As a "Business Associate" Under Health Insurance Portability & Accountability Act of 1996 (HIPAA).

9.3 FORCE MAJEURE

- 9.3.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").
- 9.3.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 9.3.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.
